

CBHA General Alert

April 22nd, 2021

Scattering CJ Film Screening & Discussion Register now!

Dear Colleagues,

In recognition of Mental Health Awareness Month, the California Council of Community Behavioral Health Agencies (CBHA) is proud to sponsor a screening and discussion featuring key scenes from the award-winning film *Scattering CJ* on **May 3rd, 2021, from 11 AM to 1:30 PM.**

Scattering CJ tells the story of a young man named CJ who died by suicide and his family's struggle to grapple with the loss and the thousands of people who responded in their time of need. CBHA is amplifying this story to promote awareness about suicide and other behavioral health issues our youth face. We are thrilled to be joined by Senator Anthony Portantino, who will discuss his personal commitment to this issue as well as colleagues from the Senate Mental Health Caucus.

Please click the buttons below to watch the *Scattering CJ* trailer, and register for the screening and discussion!
