Reimagining the Behavioral Health Workforce:
Promoting Health Equity Through Access to Care
January 24th, 2022 9 AM - 3:30 PM | VIA Zoom

Reimagining the Behavioral Health Workforce is an opportunity to engage with policy makers and leaders in the behavioral health arena and discuss issues of concern including youth behavioral health, the opioid epidemic, homelessness, and the behavioral health workforce crisis.

Expanding the behavioral health workforce, which includes recruiting, training, and retaining staff, is a top priority for CBHA. Join us as we work strategically and collaboratively to pursue public policy initiatives that create system change for diverse communities across our state.
